Privacy policy

Introduction

We are a community for student and business. People use our Services to find and be found for business opportunities, work, thesis, internships and project work as well as connect with others and take part of information via newsletter or network meetings. Our Privacy Policy applies to any Users or Visitor to our Services.

Our registered users ("Users") share their professional identities, post and find business and career opportunities.

Services
This Privacy Policy applies to campusvannerconnects.se, campusvanner.se & (appen).

Data Controllers and Contracting Parties
Campus Vänner will be the controller of your personal data provided to, or collected by or for, or processed in connection with our Services e.g. you are entering into the Terms of Service with Campus Vänner Connects.

Change

Changes to the Privacy Policy apply to your use of our Services after the “effective date.”

Campus Vänner ("we” or “us”) can modify this Privacy Policy, and if we make material changes to it, we will provide notice through our Services, or by other means. If you object to any changes, you may close your account.

You acknowledge that your continued use of our Services after we publish or send a notice about our changes to this Privacy Policy means that the collection, use and sharing of your personal data is subject to the updated Privacy Policy.

1. Data We Collect
1.1 Data You Provide To Us

You provide data to create an account with us or by signing up for a newsletter, applying for scholarship, sending feedback on approved scholarships or applying for reversed mentorship or signing up for our events (we use a third party service for our events invitations (for more information regarding events, see the event invitation in question).

Registration
To create an account you need to provide data including your name, email address (and if you are a student your education), and a password. You create your own profile (a complete profile helps you get the most from our Services).

Profile
You choose what information you want to add to your profile, such as your education, work experience, skills and photo. You don’t have to provide additional information on your profile; however, to updated your profile information helps you to get more from our Services, including helping business opportunities to find you. Please do not post or add any personal data to your profile that you would not want to be publicly available to the Users of our Service.

Posting and Uploading
We collect personal data from you when you provide, post or upload it to our Services, such as when you fill out a form, (e.g., with demographic data), respond to a survey, post a content or interact with content. You don’t have to post or upload personal data; though if you don’t, it may limit your ability to grow and engage with your network and take part of our Services.

1.2 Service Use

We log your visits and use of our Services, including mobile apps.

We log usage data when you visit or otherwise use our Services, including our sites, app and platform technology (e.g., our off-site plugins), such as when you view or click on content, perform a search, share content. We use log-ins, cookies, device information and internet protocol (“IP”) addresses to identify you and log your use.

1.3 Cookies, Web Beacons and Other Similar Technologies

We collect data through cookies and similar technologies.

As further described in our cookie policy, we use cookies and similar technologies (e.g., web beacons, pixels, ad tags and device identifiers) to recognize you and/or your device(s) on, off and across different Services and devices.

1.4 Your Device and Location
We receive data from your devices and networks, including location data.

When you visit or leave our Services (including our plugins or cookies or similar technology on the sites of others), we receive the URL of both the site you came from and the one you go to next. We also get information about your IP address, proxy server, operating system, web browser and add-ons, device identifier and features, and/or ISP or your mobile carrier.

1.5 Other

We are improving our Services, which means we get new data and create new ways to use data.

Our Services are dynamic, and we often introduce new features, which may require the collection of new information. If we collect materially different personal data or materially change how we use your data, we will notify you and may also modify this Privacy Policy.

2. How We Use Your Data

We use your data to provide, support and develop our Services.

How we use your personal data will depend on which Services you use, and how you use those Services. We use the data that we have about you so that our Service can be more relevant and useful to you and others.

2.1 Services

Our Services help you connect with others, find and be found for work and business opportunities, stay informed, apply for scholarships and reversed mentor program.

We use your data to authorize access to our Services.

Interact
Our Services allow you to interact with other users on our platform. To do so you can either apply to or post a business opportunity of your choice or send messages to other users throw contact information posted by other users.

We will use data about you (such as your profile and profiles you follow) to suggest opportunities for you posted by other Users profiles you have chosen to follow.

It is your choice whether to invite someone to our Services, send messages and interact with another user.
Career
Our Services allow you to explore careers, and seek out, and to be found for career opportunities. Your profile can be found by those looking to connect regarding job opportunities, internships, thesis, mentor program and/or project work. Keeping your profile accurate and up-to-date may help you better connect to others and to opportunities through our Services.

Business
Our Services allow you to explore business opportunities by finding people to hire or to connect with via thesis, internships or project work. Adds that you post can be found by those looking to get hired by you (for a job or a specific task) or to connect for thesis or internship opportunities. You can signal that you are interested in certain business opportunities directly in your profile. Keeping your profile accurate and up-to-date may help you better connect to others and to opportunities through our Services.

2.2 Marketing

*We promote our Services to you and others.*

We use data and content about users for invitations and communications promoting usership and network growth, engagement and our Services.

2.3 Developing Services and Research

*We develop our Services and conduct research.*

Service Development
We use data, including public feedback, to conduct research and development for the further development of our Services in order to provide you and others with a better, more intuitive and personalized experience, drive usership growth and engagement on our Services, and help connect professionals to each other and to economic opportunity.

Surveys
Polls and surveys may be conducted by us and others through our Services. You are not obligated to respond to polls or surveys, and you have choices about the information you provide. You may opt-out of survey invitations.

2.4 Customer Support

*We use data to help you and fix problems.*

We use the data to investigate, respond to and resolve complaints and Service issues (e.g., bugs).

2.5 Aggregate Insights
We use data to generate aggregate insights.

We use your data to produce and share aggregated insights that do not identify you. For example we may use your data to generate statistics about our users, their profession or industry, to calculate ad impressions served or clicked on.

2.6 Security and Investigations

We use data for security, fraud prevention and investigations.

We use your data if we think it’s necessary for security purposes or to investigate possible fraud or other violations of our Terms of Service or this Privacy Policy and/or

3. Your Choices & Obligations

3.1 Data Retention

We keep most of your personal data for as long as your account is open.

We retain your personal data while your account is in existence or as needed to provide you Services. This includes data you or others provided to us and data generated or inferred from your use of our Services. We will retain your information and keep your profile open until you decide to close your account. In some cases we choose to retain certain information (e.g., visits, interactions) in a depersonalized or aggregated form.

3.2 Rights to Access and Control Your Personal Data

For personal data that we have about you:

- **Delete Data:** You can ask us to erase or delete all or some of your personal data (e.g., if it is no longer necessary to provide Services to you).

- **Change or Correct Data:** You can edit some of your personal data through your account. You can also ask us to change, update or fix your data in certain cases, particularly if it’s inaccurate.

- **Object to, or Limit or Restrict, Use of Data:** You can ask us to stop using all or some of your personal data (e.g., if we have no legal right to keep using it) or to limit our use of it (e.g., if your personal data is inaccurate or unlawfully held).

- **Right to Access and/or Take Your Data:** You can ask us for a copy of your personal data and can ask for a copy of personal data you provided in machine readable form.
You may contact us using the contact information on our site, and we will consider your request in accordance with applicable laws.

3.3 Account Closure

_We keep some of your data even after you close your account._

If you choose to close your account, your personal data will generally stop being visible to others on our Services within 24 hours. We generally delete closed account information within 30 days of account closure, except as noted below.

We will retain de-personalized information after your account has been closed.

# 4. Other Important Information

4.1. Security

_Please do not share sensitive information on your profile or in other ways._

4.2. Cross-Border Data Transfers

_We store and use your data outside your country._

We process data inside of Europe and rely on legally-provided mechanisms to lawfully transfer data across borders.

4.3 Lawful Bases for Processing

_We have lawful bases to collect, use and share data about you. You have choices about our use of your data._

At any time, you can withdraw consent you have provided by contact us via info@campusvanner.se

We will only collect and process personal data about you where we have lawful bases. Lawful bases include consent (where you have given consent), contract (where processing is necessary for the performance of a contract with you).

Where we rely on your consent to process personal data, you have the right to withdraw or decline your consent at any time and where we rely on legitimate interests, you have the right to object. If you have any questions about the lawful bases upon which we collect and use your personal data, please contact us via our contact information on our site.
